

Step-by-step instructions on submitting your manuscript to the 2018 Special Issue on Vacuum Electronics of the IEEE Transactions on Electron Devices

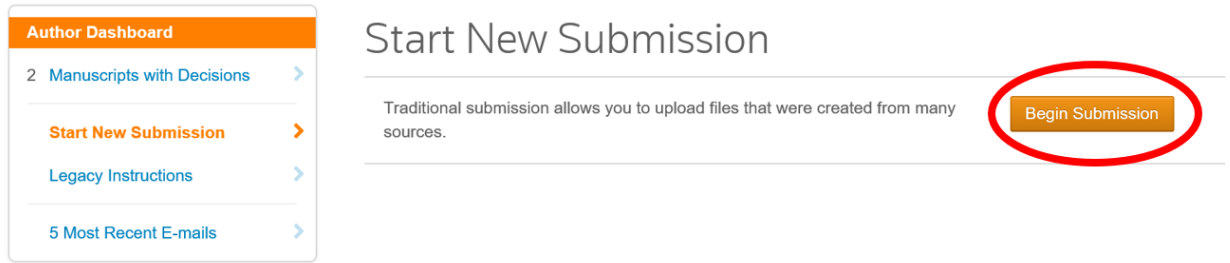

1. Go to <https://mc.manuscriptcentral.com/ted> and login (or register an account if you are a new user):

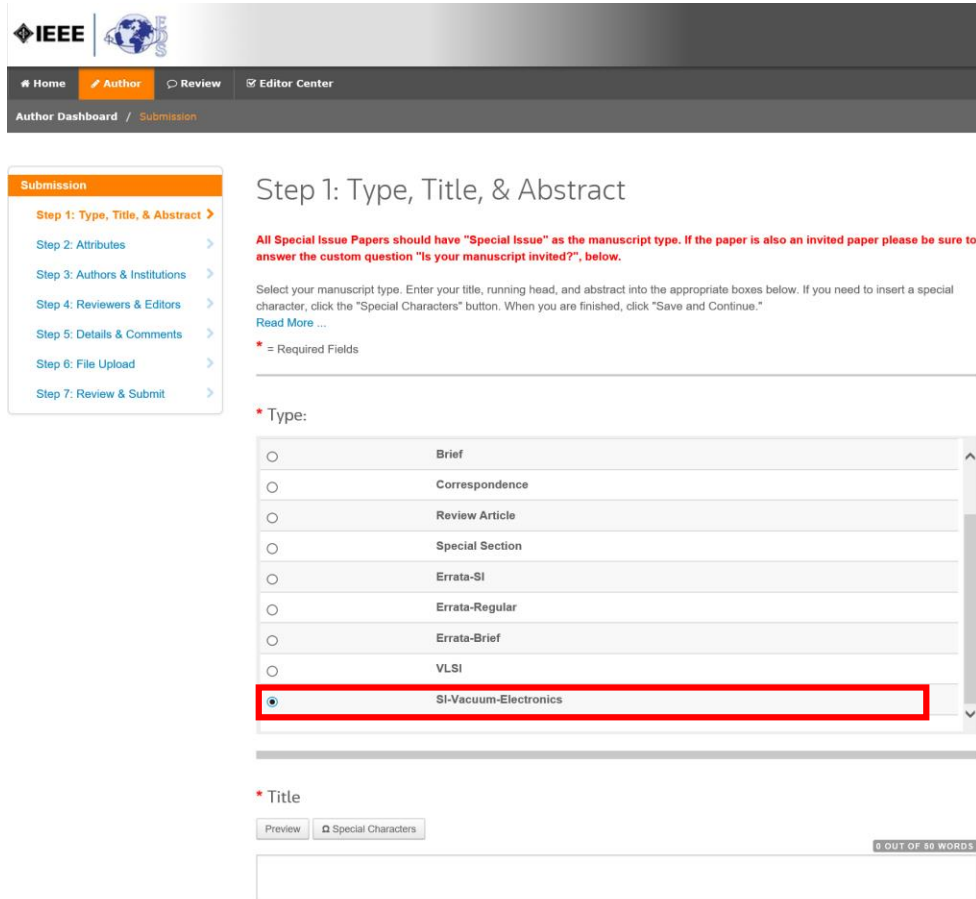

2. After logging on, select "Author" tab, then "Start New Submission":

3. Then “Begin Submission”:

4. Under “Step 1: Type, Title, & Abstract” scroll to bottom of list and select “SI-Vacuum-Electronics”:

5. Continue filling in the requested fields and following the steps to submit your manuscript.
